WHY CHOOSE RESTORE?

Our mission is to generate income that enables Habitat for Humanity of the Chesapeake to create affordable homeownership opportunities in Central Maryland. By providing quality products at affordable prices, we are simultaneously preserving our environment by keeping reusable items out of our landfills.

WHY DONATE?

It's tax deductible!

Extra building materials from a construction site or home project and gently used furniture and appliances are just the kind of donations that Habitat Chesapeake ReStores need. You can drop off your donation, or for larger items, arrange for us to pick it up.

WHY SHOP?

Save money!

At the ReStore, you will find a broad selection of building materials, appliances, furniture, cabinets, flooring, lighting, plumbing and much more. Materials are sold at deep discounts to the general public. 100% of the profits from the ReStore support Habitat for Humanity of the Chesapeake.

WHY VOLUNTEER?

Support a good cause!

The success of the ReStore depends on the efforts of volunteers who donate their time and energy. They help customers, clean and prepare donations, assist the drivers with picking up donated items and work on various projects in the store as needed.
