

A group of volunteers, including men, women, and children, are working in a large workshop or garage. They are gathered around long tables, using tools like power drills and saws to work on wooden frames for bunks. The workshop has large open doors, and a white pickup truck is visible outside. The scene is busy and collaborative.

Bunks Across America

Build Date: June 14th, and 15th, 2019

**A DAY FOR COMMUNITIES NATIONWIDE TO GET TOGETHER TO
BUILD BEDS FOR CHILDREN WHO DON'T HAVE BEDS TO SLEEP IN.**
