**Helpful Hints**

- It is suggested that the value of your basket/contents should be between \$25.00 - 75.00.
- Please provide a container for the basket items. Container type may be a basket or other creative item suitable to the basket theme (i.e., a cooking pot for an Italian themed basket or a flower pot for gardening). Wrapped boxes can also be used as a container if needed due to the size of the contents.
- If you don't already have one, baskets/containers may be purchased at places such as Michaels, Target, Dollar Store, Walmart, etc.
- Do not wrap the silent auction basket/container. The silent auction team will wrap the baskets so that the wrapping will be uniform in appearance.
- Be aware of the expiration date on perishable items recognizing the auction is 3/17/19.
- If you have any questions, please contact the silent auction team at [souprundae@gmail.com](mailto:souprundae@gmail.com)
- Reminder: Return your silent auction donation and Information Form by 2/24/19.
