## Food Scavenger Hunt Items:

**Directions:** Select the number of items you wish to donate and choose (or choose just a few items and select several of each), then work together as a family to locate them in the store and bring to our Day of Service!

1. You cook this food in really hot water until it goes from hard to soft and delicious!
2. You spread this on bread to make a sandwich.... sometimes with jelly
3. You can eat this for breakfast in a bowl with milk
4. This is made up of small, white grains and is delicious with beans, stir fry or as a side dish
5. You can drink this when you want to warm up...lots of adults have a cup every morning
6. Use this white, grainy staple when you want to make something taste extra sweet and yummy
7. You need two pieces of this before you can even start to make a sandwich!
8. Pour me over spaghetti to make a yummy hot dinner...add some cheese and it's even better!
9. Spread this fruity treat on your toast or sandwich...what is your favorite flavor?
10. When you are baking cookies or cakes or bread, you'll need some of this white stuff found in the baking aisle!
11. Milk is a thing that will need to stay cold, but in a box or as powder it also is sold!

12. Jumping\_\_\_, jelly\_\_\_, or baked \_\_\_? These come in a can and are so good to eat!
13. Tuna or chicken can cook in a pan...but they both last much longer when they come in a can
14. This nice warm drink is often served at parties...in the U.S. we usually make it by dunking a bag in hot water
15. A favorite of families we'll eat some more please, please pass another bowl of \_\_\_ and \_\_\_!
16. On a nice cold day, it's good to have a bowl and a spoon so you can warm up with some delicious \_\_\_\_\_
17. Have you ever heard of a grain that starts with a "Q"? See if you can find some quinoa!
18. Mashed, boiled, fried..... ????
19. Add the name of a male sheep and the opposite of "out" to get the name of these delicious noodles!
20. It's good to stay hydrated...find this pure, clear liquid in bottles!
21. To keep these shiny and white, you need to squirt some of this before you brush!
22. Taking a bath or shower is important...to really get squeaky clean you'll need some \_\_\_\_\_
23. When there is snow in the forecast, everyone hurries to the store for bread, milk and \_\_\_\_\_
24. You'll need some kind of this to keep your clothes clean!
25. Don't get this in your eyes when you are washing your hair...sudsy and bubbly!

\* Other needed items: baby formula, granola bars, cooking oil, paper towels, Lysol spray and wipes
