

Items to bring to the MLK Jr. Day of Service 2024

There are physical, spiritual, and mental items to bring to the MLK Jr. Day of Service event. The first two items of spiritual and mental items are more important than the physical items.

These spiritual and mental items create an environment that inspires and uplifts others:

- A servant and grateful heart
- A spirit of selflessness
- A positive and flexible attitude
- Willingness to tell others why you are attending the MLK Jr Day of Service
